SUMMARY

With 3+ years of experience specializing in front-end development of scalable, high-performance web applications. Proficient in modern front-end technologies and Agile methodologies. Experienced in collaborating with cross-functional teams to deliver high-quality applications through rigorous testing and continuous improvement. Passionate about solving complex technical challenges and contributing to the success of projects by creating intuitive, responsive, and engaging user interfaces.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript
Frameworks/Libraries: React.js, Bootstrap, Tailwind CSS
Version Control: Git, GitHub
Tools: VS Code, Node.js, Canva
Web Development: Responsive Design, DOM Manipulation, REST APIs, Fetch API
Databases: MySQL

EXPERIENCE

Hanuma Infotech   **(oct 2021– now)**
Software Engineer |Responsibilities:

Developed **responsive web applications** using **HTML5**, **CSS3**, **JavaScript**, **React.js**, **Tailwind CSS**, and **Bootstrap**,ensuring seamless user experiences across multiple devices and screen sizes.

Worked with cross-functional teams to **implement user stories** and **features** as part of the **Agile Scrum** process, delivering high-quality applications in **sprints**.

Utilized **React.js** to create **reusable components**, optimizing **state management** and improving the overall **performance** and maintainability of the application.

Performed **DOM manipulation** with **JavaScript** to dynamically update content, improving user interaction and experience.

Integrated **REST APIs** and used **Fetch API** to fetch and display data dynamically in the application, ensuring seamless communication with backend systems.

Managed development tasks and **tracked progress** using **Azure DevOps**, ensuring timely completion of features and bug fixes based on **acceptance criteria**.

Version-controlled code with **Git** on **GitHub**, collaborating with peers through **code reviews** and **seamless integration**.

Ensured **cross-browser compatibility** by identifying and fixing **compatibility issues** across different browsers. Conducted rigorous **debugging and testing** of applications across multiple devices and browsers to ensure flawless functionality.

CERTIFICATION

HTML,CSS,Bootstrap,JavaScript,SQL - NXTWAVE

React JS - Infosys Springboard

Salesforce Certified Administrator - Simplilearn

EDUACTION

Lovely Professional University   **(2016– 2021)**

B-Tech,Computer Science & Engineering - **CGPA-5.38**   (punjab,Jalandhar)
